

Deerlake Pool Opening 2023 Season Guidelines

Pool Season: May 13, 2023 to September 24, 2023

Operating Hours: 9AM to 10PM

The Deerlake Board of Directors are pleased to announce that our pool will be opening May 13, 2023.

The Board asks that all community members help to ensure this pool season is safe for everyone that uses the amenity. The responsibility for maintaining the health of the pool falls upon the pool management company. The responsibility for ensuring OUR investment is maintained and treated with respect, falls upon each and every resident of Deerlake.

For those residents that will enjoy the pool during the season, please help to maintain our investment by ensuring that everyone that visits the pools treats the pool, and other patrons, with respect and care. The rules below are guidelines for everyone, and should be enforced not only by the Board and Lifeguards, but by all Deerlake Residents.

That said, residents are asked to do their part in the community to help ensure residents and guests adhere to the guidelines. The purpose of the lifeguards is to provide a safe environment for those that use the pool, and ensure the pool is healthy to enjoy. Parents, please parent your children and make sure they understand the pool rules.

As a result of carelessness, or deliberate damage, the Board was required to repair and replace items before this years pool season that should not have needed to be replaced or repaired. These expenses are paid for by you, the

resident, so make sure you, your family members and guests treat our amenity like you paid for it...because you did.

Violations of pool rules may result in a loss of amenity privileges for guests, and/or residents. Behavior that is deemed dangerous, or destructive may result in fines, in addition to the loss of future amenity use. Please help enforce the rules that are notated below so the pool season can be enjoyable and safe for all Deerlake residents and guests. If you are made aware of a safety issue, problem, or damage please make a member of the Deerlake Board aware.
